ALL THREE OPPORTUNITIES ARE YOURS FOR ONLY \$30.00

We are in the business of legitimately making people like you earn a second income in just a few short months. You may have been involved in some other money making system in the past, only to be disappointed. In our six years of research, we have found that those so called money making plans don’t produce money as they promise to. They all sound so good; they all look good on paper. The only people who make money are the advertisers promoting their misleading ads, to say the least. Well, you can stop searching for good because this is the last plan you will ever have to work with.

You can throw this away and be empty handed in the months ahead, or you can try it out as thousands of other people already have, and earn a second income. You just can’t go wrong. If this system has helped people earn a second income in the past, it may do the same for you. We’re here to help you.

Our system is based on six levels. The only person that is paid is the person in the number one position. All monies received for the person in the number one position will be computed by us in our state of the art computer system and forwarded by check on a monthly basis.

_____ Fill out the chart below _____

EXAMPLE OF HOW THIS SYSTEM WORKS If you wish to become a distributor:
Based on a 2% response rate on six levels, it will work out as follows:

- Position #6. You send out 300 packets, 6 people purchase the marketing package.
(That’s all you have to do.)
- Position #5. 6 people send out 300 packets each, 36 people purchase the marketing package.
- Position #4. 36 people send out 300 packets each, 216 people purchase the marketing package.
- Position #3. 216 people send out 300 packets each, 1296 people purchase the marketing package.
- Position #2. _____ people send out 300 packets each, _____ people purchase the marketing package.
- Position #1. _____ people send out 300 packets each, _____ people purchase the marketing package.

With the control, based on the 2% example, (THAT’S ONLY 2 PEOPLE OUT OF 100) when you reach position number one, _____ people will send us \$5.00 for you. THE MEGA NETWORK will send you a \$5.00 commission on every order we receive with your ID # in the number one position. This offer is controlled and monitored very carefully. Kindly fill out the above chart and calculate how much you may make. We issue you an identification number, that way your name and address will never appear on any flier, just ours. This is a security system we developed to protect you. THE MEGA NETWORK is the only source that knows your name, address and identification number. This is kept confidential and locked up in our vault.

WHY WAIT, THIS REALLY WORKS - GIVE IT A TRY, YOU HAVE NOTHING TO LOSE!

We'll replace 10 FREE LABELS for each undeliverable letter you send back to us, less postage. You may send back the undeliverable letters at any time!
- A copy of the testimonial letter, so you can send it out with this letter.
Note: Both letters are ready to be photocopied at your local printer or photo copy shop.
- A mailing list order form will also be included, should you want to order additional names so you can send out more than 300 packets. We will also send you a large list of the best mailing list companies you can contact.

- \$15.00 worth of coupons to help you get your first 3 people to purchase our marketing package.

- Your FREE BONUS – a 24 page book on M.L.M. techniques.

When your package arrives in the mail, follow these easy instructions:

- 1) Take this sheet (your I.D. number will be in position #6.) to your local printer and have 300 or more copies of this letter printed, (both sides) and 300 or more copies of the testimonial letter also printed.
- 2) Purchase 300 or more white envelopes. (size #10)
- 3) Put both letters in each envelope.
- 4) Apply the self adhesive labels that we will send you.
- 5) Affix correct postage and drop them in the mailbox. That's all you have to do. We fill all your orders.

The more packets you send out, the greater will be the response to your letter. Use the mailing list flier we will send you to order more names, if you wish. The more you send out, the more distributors you will attract, and the more money you will make. If you have a good mailing list, feel free to use your own.

That's all there is to it. Now sit back and wait for the commission checks to start coming from The Mega Network. Six levels take approximately 1 month per level, or about 6 months before you collect. If you wish to know what position you are in throughout the plan, and the number of distributors in your downline, just send us a self addressed stamped envelope (S.A.S.E.) with your I.D.# and we will gladly rush you a computer print-out of your status at NO CHARGE, of course. You may request a status as often as you like!

When we receive orders from your mailings, we pay the person in the number one position and take them off that list. We then move everyone up one position. Remember: We will receive "X" orders with your I.D. number in the number one position. We will pay you a \$5.00 commission on every order, no matter how many we receive!
